Kane, Sue, Lisette and Margot will work on gathering the information to support the Police complaint. The computer with evidence can be given to the police to support this process. Qionne will be needed to source some of the information required. Lisette will co-ordinate a working group comprising Margot, Lisette, Sue and Kane to progress this at earliest convenience.</p>
<p>4. Members and Stakeholders Responses to Letter</p>	<p>Margot will send Board copy of the letter as most Board members did not receive it. Checking out the data base and sending out invoices to the renewed membership list is a matter of priority.</p>
<p>5. Financial Position</p>	<p>\$31,000 in our Bank account. \$20,000 due on 6 April from SNZ. Hart Sport have been invoiced for \$5000 which will come in before 20 March. \$13,510 coming from MOE in 30</p>

	<p>March. We have a cash-flow problem but we do have some monies coming in. Membership invoices need work. We calculate approximately 15% in so far. Richard discussed ways to deal with end of year accounts. The process of seeking donations and how to reward those who donate was discussed. Richard offered several initial ideas regarding revenue generation, which will be elaborated on in future meetings.</p> <p>Richard's discussion on finance:</p> <ul style="list-style-type: none"> - Richard will meet with Qionne to access and discuss the zero accounts as a matter of urgency. - Richard will develop a month by month budget for the next 10 months for consideration by the Board in the next fortnight. - The year-end accounts need to be completed as soon as possible to plan for going forward and to assist with the police complaint - Office space is very important. Richard has offered his offices free of charge for next 2-3 months and thereafter once the administrative staff member is on board, we will pay market rents for the office based on the Orchard. - The administrative person needs to be employed at a higher rate (perhaps \$22 or \$23 per hour) to ensure we attract an experienced administrator rather than a novice that may require extensive supervision. Richard imagines it could take 2 months to recruit and appoint an administrator. <p>Motion: The board to approve Richard's two recommendations for changes in the IEA. Passed unanimously.</p>
6. President Matters	Margot is travelling to Tauranga on Wednesday 15 March to assist with Richard's transition to CEO. Ian and Lisette are happy to stay on the Board to assist until the PENZ AGM, although both will be overseas for substantial periods of time through until mid-July and August respectively, 2017.
7. Awards	Planning for 2017. Natasha is working on this in liaison with Sue and Suzie. She suggested it might be fruitful to engage Nichola with her on this task to enhance the culture of awards ceremony.
8. Maori Advisory Group	A video encouraging Māori to come forward to form an advisory group is available to view on share-point.
Management Decisions: Report Against Business Plan	
	Richard is working with Qionne to fix the data base and

1. Update on Database/Membership Invoicing	ensure letter and invoices are sent from this single data base. Renewed thanks to Sue and Dave for their assistance in cleaning up our data base. Their tireless work on this task is much appreciated
2. Update on PLD/ Subject Advisors work	<p>Sue reported on</p> <ul style="list-style-type: none"> - a flyer about centrally funded PLD for all schools is being worked on with Susie, with assistance from Melissa. - Athletics New Zealand – Sara Hayward has picked up this contract – get set go resource – ANZ want to develop an on-line resource. Sara and Catherine at Athletics NZ are in touch about this, doing a SWOT analysis - ACC – Response to work Michelle has done there. Age and stage and primary and culturally responsive lens needed here - SNZ need an end of year report and April 2017 -
3. Update on Conference Planning	Thanks, recorded for Sue for her extraordinary work on the PLD portfolio, together with Sara and Susie for their sterling work. Susie and Sara, plus Rachael and Libby have been momentum here. They have been doing a lot of administrative and management work around conference. Now that Richard is present, we will need to ensure the committee members liaise with him regarding these matters.
4. Update on Communications and Publications	Journal will be on line. Once Richard is up to speed with other tasks, he will attend to matters regarding the journal. Concerns raised about meeting advertising commitments with late journal due to transitions. Richard to follow up with organisations who have booked advertising with us.
5. CEO Key Tasks	As above
6. AOB	<p>Lisette will co-ordinate police complainant meeting at earliest convenience.</p> <p>A resounding ‘thankyou’ was expressed to Margot for her sterling leadership and the extraordinary amount of work she has, and continues, to do on behalf of PENZ in this challenging time.</p>
